

VESSEL DETAILS

A fantastic vessel suitable for a wide range of events, the spacious indoor ground floor of this vessel features 12 comfortable six-person booths, a bar, and an entertainment area. This open-plan space can be decorated according to the requirements of your event, including additional decor and branding.

Thanks to its temperature-controlled indoor floors, the WEOTT I is an ideal choice for events throughout the autumn and winter months. The large windows provide impressive and, in our opinion, unrivalled views of the city. It's a fantastic way to experience London.

The WEOTT I also boasts one of the most expansive decks on the Thames, making it the perfect place to enjoy the stunning setting. We will adorn this area with fairy lights and lanterns, and furnish it with outdoor chairs and cosy blankets, ensuring your comfort even in chilly weather. Should the weather take a turn for the worse, the vessel offers a covered outdoor shelter attached to the top deck for those who wish to remain in the open air.

The stage is set for your function, offering an ideal venue for a relaxed dinner event, a staff social, or an award ceremony as the sun sets over the water.
