

VESSEL DETAILS

The perfect vessel for your Christmas event, the spacious indoor ground floor of this vessel features 12 comfortable six-person booths, a bar, and an entertainment area. This open-plan space will be adorned in our 2025 festive theme and can be further tailored to suit your event's specific requirements.

Thanks to its temperature-controlled indoor floors, the WEOTT I is an ideal choice for events across the festive period. The large windows provide impressive and, in our opinion, unrivalled views of the city. It's a fantastic way to experience London.

WEOTT I boasts one of the most expansive decks on the Thames, providing an exceptional setting to enjoy the festivities. We'll adorn this area with fairy lights and lanterns, and furnish it with outdoor chairs and cosy blankets, ensuring your comfort during the winter season. In case of inclement weather, the vessel offers a covered outdoor shelter attached to the top deck for those who wish to remain in the open air.

The stage is set for your end-of-year celebration, offering an ideal venue for a relaxed dinner, award ceremony, or simply a place for your team to unwind at the close of a busy year.
